YES Financial Assistance Program

Local Church Contribution Agreement

2017-2018

The **Youth Educational Scholarship (YES)** has been established to provide revenue from five sources for qualifying students: the student's family, the student's labor, the student's local church congregation, Wisconsin Academy, and the Wisconsin Conference of Seventh-day Adventists.

This is a matching program contingent on the family meeting their monthly obligation, where the academy and conference will each match what the local church congregation gives up to a maximum of \$2,000 (\$1,000 for village or Parental Choice students). The local church, on the other hand, can contribute as much as they choose. Children of conference employees are not eligible for the YES program.

If the local church does not contribute to the YES program, or if the family does not meet their obligation, no matching funds will be awarded. Furthermore, students may be dropped from the program for a pattern of poor attendance, failing grades, or repeated discipline issues.

This form is to be completed by the local church treasurer after the church board has voted to assist the student through participation in the YES program. **The completed document, along with a completed financial aid application and the family's most recent signed tax return, must be presented to the Wisconsin Academy Business Office as soon as possible. Your church board may not meet frequently in the summer, so act quickly.** Without these documents, matching funds cannot be awarded. A separate form and aid application is to be completed for each qualifying student.

On _____ (date), the church board for the _____ (church congregation) voted to participate in the YES Program on behalf of _____ (student) by remitting \$ _____ payable to Wisconsin Academy in _____ installments of \$ _____ each.
