

# WISCONSIN ACADEMY 2019 MUSIC FESTIVAL

April 4-6, 2019

Concert – April 6, 2019 – 4:00 p.m.

**HERE THEY ARE!** Online Registration packets for the 2019 Wisconsin Academy Music Festival are included. We are looking forward to having your 5<sup>th</sup> through 10<sup>th</sup> (up to 12<sup>th</sup>) grade students on the campus of Wisconsin Academy.\* Here is some additional information.

## REGISTRATION

We would like each individual participant to submit a completed Registration Form along with a check payable to Wisconsin Academy for \$45 by March 7, which allows us to plan more effectively in ordering music and t-shirts, etc. This can be accomplished individually or corporately through your school or church. The \$45 fee covers meals through Sabbath lunch, festival t-shirt, and other festival expenses. Sponsors will also need to complete the Sponsor Form and submit their payment of \$35 for a meal ticket. Parents coming for the concert may purchase Sabbath meal tickets (\$6.00 per meal per person) in advance by indicating which meals and enclosing additional money with their student's registration fees. Additional T-shirts may be available for purchase at registration.

Please be sure to send in these:

- 1) Student Registration Form
- 2) Sponsor Registration Form
- 3) Money to cover the festival costs

**Remember the date of March 7, 2019.** (If you need to wait until later to send the money, let us know. But please return the registration forms by then if at all possible.)

## MUSIC

All the church schools and churches receive one copy of the festival music. You will be able to go to our website, "[wisacad.org](http://wisacad.org)" to access links to recordings of music that you can use to help practice the songs. Please feel free to make copies of the music for your students, so they may begin preparing for the festival. You may use these in rehearsals to introduce the students to the music before they arrive on campus. We have ordered sheet music for the students once they arrive for the festival. Remember the music (both originals and any copies made) are the property of Wisconsin Academy and must be returned at the end of the festival checkout.

Again, if you have any questions, please contact Bruce Rasmussen, music director - or Rosalie Rasmussen, principal. We are looking forward to an exciting Music Festival!

\*If a student past 10<sup>th</sup> grade wishes to be a part of this festival, please contact Mr. Rasmussen – 920-623-3300 ext. # 317.

## **Sponsor Responsibilities and Duties**

1. Be on campus at all times. If there is an emergency we need to be able to find you easily.
2. Have a copy of all permission slips and medical consent forms filled out for each student.
3. Please make sure that your students are aware of the NO GUM rule.
4. Have a visible presence during rehearsal. It lets the kids know you care about what they are doing.
5. Please bring students who want to participate in the music. Students who are not participating will be sent to their sponsors.
6. Attend meals with your students.
7. Please be with your students during recreational periods.
8. Please be responsible for your students' "whereabouts" and activities during free time.
9. The Wisconsin Academy campus is your home during your stay at Wisconsin Academy. It is also the home for many WA students. The deans, the principal, and I are all going to be encouraging an attitude of respect in our students' relationship to your students, and we appreciate your doing the same. Please outline your expectations for your students before they come. We are doing the same here.

Thank you for your help. The Wisconsin Academy Music Festival could not happen without you.

February 25, 2019

Greetings to all those assisting students to prepare for WA's Music Fest:

We're excited about our upcoming Music Festival for grades 5 – 10 (\*12), taking place from April 4-6 at Wisconsin Academy. This promises to be an exciting festival with great music and enjoyable interaction for the participants.

It will begin on Thursday afternoon, April 4, with registration, and end with a concert at 4:00 p.m. on Sabbath afternoon.

As with last year, the Academy choir will be joining in the festival. I encourage you to go to our website, "[wisacad.org](http://wisacad.org)" and access links to the recordings of the music. Hopefully you can use this to help the participants learn their music. It may have a few mistakes, but it should be a good learning tool.

You and the students will need to decide which parts they sing. When we begin practice here we may have to do some switching of parts depending on the numbers in each part. We hope to visit some of the schools before the festival, to help you with the preparation.

I want to encourage you to come. It's quite an experience singing in a mass choir for these students. Even though their voices do get tired, the Festival is a growing experience for the students, and exciting memories and friendships are made with other students from around the region.

All the best,

Bruce Rasmussen  
Director of Music
